The Choice

Looking for diversion
coping with subversion
trying to invent
a new version
of me

Meanwhile I draw a
jagged life line
in the sand
and crawl towards
the finish mark

Where is the promised land
or just a bright side close
at hand

Why do I fight with myself
so much

How do I know when I win

How do I know when I lose

Which me should I choose
tomorrow morning
if I rise?

the apache kid
