**If you just knew**

If you just knew

What you can do

To me

If you just knew

What you can do

To me

I know now

I know now

That at least one goddess is alive

I know now

I know now

What powers you have

If you just knew

What you can do

To me

If you just knew

What you can do

To me

I can never

I can never

Walk this earth safely again

I can never

I can never

Not seek out your heart

Is this

Is this

How it's like

Is this  
Is this  
Love unrivalled

If you just knew  
What you can do

To me

If you just knew  
What you can do

To me

I was yours the moment you said a word

I was yours  
I was yours

I am yours  
I am yours

What powers you have over me
