

Publicerad 2018-02-18 11:46 av Tommy Vähä-Rainio

Wasting time

Do not accuse me.

You are just trying to escape,
from your own broken promises.

And from your mind.

That holds a prison in your brain.

You are just wasting our time.

In eterenity.

In the few beautiful moments we have left.

By accusing me.

For deasising things.
