Unicornification

let there be a heaven on earth where purple unicorns reside

let the go free from scars and tourments that is life

The sun bright as a newborn star

A shining mouth full of love

Run run a green good dance

A lift by starshine enchanse

Uniconifikation a inspirarion

A smile into eternity

A unifikation will make you see

In my dream i saw it run over the fields

In life its all that shields

Fields

Shields

Fields

Like a great purple grand sky

The questions asked, the answers why

So we go to the well we zip it dry

Then the field turns beautiful and green

Love is the most beautiful thing we've ever seen

Run run a green good chance

A lift by starshine enhance
