## **BBC Radio York**

Hi guys,

I just got this message from the most talented Jennie Ståbis, with whom I had the honor to collaborate.

'Some good news. Last week I submitted Birch and Aspen to BBC Introducing for unsigned artists in the UK (which is where I live nowadays) and it was selected to be played on BBC Radio York this coming Saturday at 20.00, British time.

I'm not sure if you can listen on the BBC website without signing up, but the show will be available for another 25 days. Otherwise, if you have a smartphone there's an app called Tune In Radio where you can listen (just ignore the offer of a free trial, it works anyway). Just search for BBC Radio York.'

Hopr that you will be able to listen.
