I asked you

I asked you

"can you fall in love again?"

and you said

"when there's been a temporary break, one could start again."

and I think that's true

I've fallen in love again

but to be real

I've never really left

You've always been there you know?

In my heart, in my veins, in my thoughts

so many years, tears and joys

and crossing distance

to get closer

yes we start again

an old love, a new love

same souls

I love you so much
