Braking bridges

so here we are

i dont know what to say

i cant look at you

were braking bridges now

were only humans somehow

day and night

day and night again

can we ever be friends

were braking bridges now

were only humans somehow

In a nest room we fill the chest

go on the ride

let the others rest

in a heart punch

we learn Life

and love you grow to earn

Were braking bridges now

where only humans somehow

i do beleive

but im not certain

we can receive

I cant pretend

that i understand

it was in our hands

we hold Faith

we hold warmth

in silence

We remain

Were braking bridges now

where only humans somehow
