

Publicerad 2019-11-26 08:14 av 8mic

rearview 20/20

i'm an addict

you're a one stop, all night, coffee shop

take my time, my patience, my breath away

the little reds, the blues, the green most of all like a palette

brushstroke my hands, my face

all our demons coming out to play

like the friends they are.

i don't blame myself for this

half as much

as my ghost will.
