### **Kisses Sweet And Deep They Were**

Standing in the summer rain

I remember you so clear

Your brown hair flowing down your back

Kisses sweet and deep they were

Comes tomorrow where will we stand

Will you still be here

Love is best a two way street

Chiming with the winds up there

Standing in the summer rain

I remember you so clear

Your brown hair flowing down your back

Kisses sweet and deep they were

Counting dragonflies that whisk just by

I reach to find your eyes feeling like a dare

So many things in common we have

So many things that need repair

Standing in the summer rain

I remember you so clear

Your brown hair flowing down your back

Kisses sweet and deep they were

Swimming with a warm embrace

holding you so close so dear

laughing in a lover's smile

my heart it sheds a tear

Imagination breeds sensation

not alone again somehow

enchantment envelops me

no retreat sincere I'm bound

Standing in the summer rain

I remember you so clear

Your brown hair flowing down your back

Kisses sweet and deep they were
