Ursäkta mig. Snabbt nerskriven av känslor, ville bara lägga upp den någon gång.

Love or not?

Why did I fall in love with you?

I never meant or wanted to.

My love for you is bound to die,

but I don\'t want to say goodbye.

I fell in love with you when I least expected,

and I knew I was going to be rejected.

But still I wonder if you have any feelings for me,

well, time will tell and we will see.

When you were looking at me I melted inside,

and everytime you looked away something inside me died.

Your smell make my heart beat faster and faster,

and it is going to end in a disaster.

You make me love you more and more,

and that is a feeling that I can\'t ignore.

Inside me I feel so much pain,

and it\'s starting to make me go insane.

What will I do, I really need help,

I can\'t find a way to save myself.

Just tell me if you love me or not, just decide.

Tell me if you are going to accept or decline.
