Things I'm thankful for - 2

To cry on the dirty floor of a subway, empathy, the sound when you spill water on the floor, broken books on science, the smell of wet asphalt, scratched CDs, the feeling of doing something for others, old commercials, a collection of remaining coffee at the bottom of coffee mugs, that burning sensation when scraping your hand in gravel, ice cubes, rain on a water-repellent jacket, sloppy handwriting, rococo art, power failure in the winter.
