the merry month of May

Primary, secondary culinary treats
walked into the café looking for a seat
found a cove that was feeling great
waiting for my good mate
a red haired beauty of movie star quality
that fit into the film atmosphere
that was all around us everywhere here
served us raspberry waffles and hot chocolate remedies
in this magic environment you see
she had an enchanting eye for my friend
he's smitten by this kitten and
he promises to come back again
talking of music talking of dreams feeling
the sunshine that his young boy brings
unbridled enthusiasm to everyone he meets
fun and games coming in from the street
tomorrow, that is today I look forward
to new adventures
and the merry month of May
