Om virusets inverkan på våra liv

Covid 21

I cant go out

Nobody go in

We all stay home

For the good of the people

The dust may come

The water may pour

The germs may visit

But im too happy

Too red in the face

Too light in my eart

Roads are empty

Shops are quiet

They stay

At a distance

Sneezing in the

Armpittens clothes

The dust may come

The water may pour

The germs may visit.

But im too happy

Too red in the face

Too light in the heart
