

THE PUTIN FILE (The antisemitic Russia) XIII

The pogrom Putin`s inherited sin from
the Tatar conquest across the Russian
steppe when a biological patriotism that
turned into a Russian nationalism
where only pure Russians are counted
as a real Russian,
that never denied themselves lives on
in Putins frozen intellect from barbaric
time when Tatars murdered and ravaged
without borders.

But it is not only war of purge in Ukraine
of unclean Russians but also of Jews in
today's Russia where about 80 000 jews
forced to escape after the relationship
between genuine Russians and Russian
Jews became almost anti-semitic when
Putin regime eroded the jewish traditions
with sanctions.

The fact that a jew is president of Ukraine
since then and that Ukraine is home to
the largest jewish communities in Europe
says a lot about Putin
but he likes to see between his fingers only
when it comes to the jewish oligarch
brothers Rotenberg
