

Publicerad 2022-06-14 16:23 av A.h.A

ett stycke som hyllar alla som kämpar på denna jord.

The virtue of struggle

Glorious is the one

Who struggles.

For in him virtue exists

For in him virtue truly subsists

Not the common lies

Not the bravado and pomp

Of those who arrogantly stomp

Of those who deceive and boast

Who host the image

of which when its nature unveiled

you will come to loathe.
