I'll wear your heart on my sleeve

I'll wear your heart on my sleeve

I'll carry your happiness in my heart

I'll smile for you

Trough it all, I'll see you, and know you

My father, my friend from the heart.

Apart in distance, never at heart.

My love is like the wind - you can't touch it or see it. But it exists and breaths into your lungs.

If I never say anything again in my life, I wish to say: I love you more than you will ever know, you mean more to me than you will ever know and I will forever love you. You are the single most important person in my life and I cherish you, I adore you dad.

/Your daughter.
