### **My dearest friend**

I'm just going to rest for a bit. But it has been fun, hasn't it?

I wish we would have known each other longer so that our friendship could've grown stronger.

You have made me laugh when I wanted to cry, and you kept me going when I couldn't be bothered to try.

I hope you know how grateful I am to have found a friend like you. I hope you know you're irreplaceable, I really do.

You're fun, loving and kind and in my final moments you'll have a special place in my mind.

So now I'm going to sleep, this is my end. But I will dream of you, my dearest friend.
