## **Desert and Desolve**

precious gems on every part

i can assert everything you deserve

i can assure all the greatness you are within yourself

We are that, we humans and life

light and darkness intertwined

Our consequences that smirk of this or that

the roads we take that lead us somewhere,

perhaps anywhere but there

and somehow they lead to a gallow road

but every now and then they lead to a actuality

one that borders to a beautiful surreality

for rich is the one who can travel the road

ease the burden of summonings and overload
