Just remember!

I want to be lonely!

With my sorrow

With my pain

With my loneliness

I am a person lonely!

With my dreams

With my breath

With my tears

Remember!

All my days talk lonely.

All my song sings lonely.

All my poems talk lonely.

All of me is lonely.

Apart of me is lonely.

Just me lonely!

All my pleasure is alone.

All my pray is alone.

All my night is alone.

Just remember!

Sadness

Hopeless

Trustless

Is my name!
