MAKING PLANS TO KILL ME

They are making plans to kill me

It's gonna be their biggest thrill

They are making plans to kill me

though it's a crime against God's will

They are in complete agreement

It's gonna happen any day

They had a meeting in the basement

It must have been the 5th of May

They've got the key to our apartment

so in the middle of the night

they may appear right in my bedroom

and suddenly turn out the light

So they are making plans to kill me

I wouldn't say I wish them well

And they are just a bunch of losers

Some morons on their way to hell
