### **Trough everything, despite everything**

I will do everything to keep our relationship strong, healthy and thriving.

As sent from above - we are here to learn to love each other fully.

Loving another person the right way is sometimes tricky! To see their truth, to understand and take in all their nuances.

But that is the single most important thing you will ever do - to love and be loved deeply, through everything, despite everything.

What is the secret to a successful relationship, in my opinion? Choose a good person, a person who wants you well in everything. Whose intentions you don't have to doubt or question.
