Revival

Until Further Notice

Debauched, addled and
alive until further notice
bring me into Buddha's lotus
I am baffled by existence
where I've given so much resistance
if there is grace let it cleanse me
renew and never end me
bring me to my senses
I want to wear glasses without lenses
do deeds that are legendary
before I become too sedentary
let me experience unbridled love
under the peaceful sign of the dove

debauched, addled and
alive until further notice
