

NETANYAHU IS THE NEW FOUNDER OF THE NEW ANTIZEMITISM 2023

Netanyahu and his defense staff
legitimize anti-semitism,
through their war rhetoric and to
be able to use it as a defense
against those who criticize Israels
war crimes of the mass murder of
6000 children to begin with...

This legitimized anti-Semitism
will through Netanyahus rhetoric
backfire on him and also on all
the good jews,
with such convincing force that
he will be forced to realize his
greedy mistake where pride
precedes fall.

Those who are responsible for
Antisemitism are those who
promoted it,
and those who fabricated it
are responsible for not wanting
to take responsibility for their
actions,
believing they can pay the rent
by accusing the landlord of anti-
semitism, but the anti-Semitism
card is no longer valid.
