No more sophisticated than that.

```
<pre>Our love is out of this world, my dear  
No movie can capture its beauty and grace  
You are the hero of my heart, so near  
Your smile, your face, your eyes, I embrace
```

We don't need a script or a director's cut
Our romance is natural and spontaneous
We make our own scenes with passion and guts
Our blockbuster hit is glorious and fabulous

I love you till the end of the world, honey
You are my soulmate, my partner, my friend
You make me happy, you make me funny
You are the best thing that ever happened
