Micro-novel

Mr. Nobrainer

They call him Mr. Nobrainer, since he tend to use his heart more than his head.

In conversations he always had an answer ready.

Ms, do you even lis... ten?

They say silence speak louder than words, but conversations left unspoken will never be heard.

Mr. Nobrainer had nothing else to use than his mouth & a quiet heart, with so many words that speaking was all that Mr. Nobrainer could do.

Yours truly,

xo, Soul.
