**disingenuous**

I've been disingenuous

I've been a fool

I've been all of that

trying to be cool

when I should have been real

I was numb and couldn't feel

I have these regrets

I see them more clearly and can't forget

how I lost sincere moments with people I met

forgive my immaturity

forgive my loss of integrity

I stand before you

and pray that you will somehow understand

the hard road in becoming a man
