Until departure

Until departure

So there i was, a middle aged man in the middle of something
Grotesque yet at the same time a part of something so great
It couldn't have been more amazing

The best times of our lifes, was yet counting

I wish i had something like money to be more happy

But everything was about to happen to me

I was still waiting

And the one who waits for it
Will get the reward

So soon

Very soon

I Have to go
