I like to torture Freud with wrong questions

HUMAN SPECIE'S INHUMAN PERCEPTION OF EACH OTHER

Humans ! what kind are they ?

where the Chinese have their

view of man,

Arabs and Jews theirs and also

Russians and Europeans,

so it is a multifold view of the

opposites of each others differ-

ences as almost inhuman rather

than human in their views that

never seem to be able to live in

peace and harmony, with each

other.
