When i see her skin i am going crazy. Love poem

Rainbow

When you are here with me i am losing control. When you are touching my body i am going wild. I love you so much that i wanna hurt you. Without you here by my side i can't breath. When i see the Rainbow i know that you will come to me. Without your smile i will cry. If you leave me now i will die. You are the one that's holding my heart alive.

You are the Rainbow in the sky
