...

Fuck me

Fuck me, you said
lyin' on my bed

I was standing naked on the floor
facing the door

Make me happy
please make me hot
Scream like a baby
'cause I like it a lot

Yes I know
but can you please
put your shirt back on

Because I can't fuck
away the feeling
of completely wrong
I can't keep on pretending
that I'm fucking strong

So will you please just stop
the pain

'cause I cannot fuck
myself sane
