Mind Game!

Mind Game!

I am
Master of the mind game

I am
Hunting

I am
Insane

Welcome to the world so real
I am the one that you´r fate seal

You are the one, my pray
Here, come, it´s you´r last meal, it´s you, on the tray

Come here Come by
Don´t ask if you just know, way

So come on give me some feed back
I know that I am on the right track

I know what´s in you´r head
Do tell, is better, or be dead

I know were you belong
Understand, don´t think, I never wrong

You think that you could hide
I know you in&out from the inside

I am you´r mindflayer
And you are my player

This is my mind game

You'rs just so lame

Feels like that you always haste
Feel my Anger feel the taste

Never ever pretend
I will never be your friend

The coluor of the skin, Mine, like a red paint
I am The Devil, far beyond a saint

I make you'r tears, be like rain
Then you neal and I smash the brain

Never be fake
For you'r own sake

I know lots of pain
Now you made me explain

I dance, and I dance, I dance between
Life and sorrow, like you never seen

I am good at finding
You always run never good at hidning

You have needs to be feed
Hell No, I gonna make you bleed

If you do know this all
Then you know it's gonna be you'r fall

Never try with me any dealing
Cause in the end you are the one that screaming

You do not understand the word healing
You do not know notthing about feeling

I am the one that raze out you'r kin
One by one I will take the skin

If not now, tomorrow you will die
Cry baby cry it's not a lie

I am the one that pull that lace
Turn you blue in the face

Look now who is that falling
Down by my feet crawling

You do in me Not Trust?
Before you turn in to dust

Tell me how is the fell
Well, No, then go to hell

This is my time I am loud
This is my time I am proud

I am Master of the Mind Game
So now, I rest my case

I am
Master of the mind game

I am
Hunting

I am
Insane

Welcome to the world so real
I am the one that you'r fate seal

Better show me grace
I am The Devil
This is Me
I am The ACE

I always be

The Master Of The Game.
