

## Changes

We go through changes  
every night...

Every now and then

I might find  
that  
I am not good enough...

But I sing

Changes

we go through changes  
every day and night

I stroll through  
the walks of life

I won't ponder  
I won't cry

It takes time  
to see changes

take place  
in the walks of life

I am good enough  
for now

Cause I see changes,  
every day and night...

I see people  
from all walks of life

and I understand  
The simple truths of life

never change...  
Discover your voice

Learn how to sing  
even though

We go through changes  
every day and night...

Discover your  
own beautiful voice

If you can speak  
you can sing

So sing with me now

Changes

We go through changes  
every day and night
