

Publicerad 2007-06-29 13:14 av Elália

I'm sorry

I don\'t belong with an angel,
so stop calling me love
Baby, why living on this earth
when you\'re born so high above?

I don\'t deserve you now and I don\'t deserve you then
all that I\'m worth is a invaluable pocket-pen
Even in my sleep I fuck with other men
and even in yours
you come love me all again.
