

Publicerad 2007-08-02 11:34 av Ninniie.B

For you

You make me sing

You make me dance

The earthmoves under my feat

You make me laugh

You makes me cry

Happiness is what I feel

You showed me the moon

you showed me the stars

Sunshine is what I see

You are the one I admire

You are the one I need

Walk on water is what I do...

For you!
