Underestimated feelings.

Can you imagine what it's like, not to feel a thing?

You cannot feel what love is like, the joy it has to bring.

You cannot feel the emptiness, of the broken heart.

The comfort of having someone there, when you fall apart.

You wouldn't know what it's like, to ride away on your brand new bike.

You wouldn't feel exhaustion, from the day long hike.

If you dont have feelings then tell me, what's it worth?

To carry on through the day, empty, here on earth.
