### **broken hallelujah**

I don't know what love is...  
but I know it's happiness  
that turns in to darkness  
and becomes you only weakness.

so turn me you back before it's to late.  
stop to give me hope, before it becomes hate.

Love is a feeling  
thats in the begining,  
takes away your tears  
and you imagine there is no fears.

I know the happiness and everything turns in to summer,  
I feel it right now.  
but, watch your back! love is a knife that want you ded.

I know it! you're gonna walk away to,  
and I am not gonna cry, I am not gonna wanna die,  
not for you.  
you're not gonna brake me down!  
at least you're not gonna watch, when i look down  
and curse love, one more time.

Love is not a victory march  
It's a cold and it's a broken Hallelujah

so when wouderful you leaves me to,  
I know it's gonna rain and I, ones again  
proved that...

Love is not a victory march  
It's a cold and it's a broken Hallelujah

you know it's true,  
I love you,  
and I just hope it turns out to be a long time

to I will damn you.

you smell so good,  
your voice is so sweet,  
you body is so hot,  
it's like a bullet takes it shot  
and you can't stop it.

Love is not a victory march

It's a cold and it's a broken Hallelujah
