Hey Sister

<I>Hey Sister, come back to us, don\'t keep us worried no more. He ain\'t gonna change. It\'s just a matter of time before it\'ll happen\' again.

Hey Sister, don\'t ever forget that I\'m here for you. I miss you, so damn much. And I\'m so afraid, every day I think of you.

Hey Sister, I just wanna slap him around, assault him, like he did to you.

Hey Sister, it might take forever for you to see what\'s happening. Your family is trying not to fall into tears everytime we think of you.

Hey Sister, you are so beautiful. Don\'t let him destroy you.

He doesn\'t deserve you, or being the father of your daughter.

You\'re worth so much more. Both of you</I>
