### **I Am Time (See You In The Ashes)**

Monsters under our beds

Trying to steal our sleep

This is our way out

There is no way out

The walls are closing in

and what\'s dark is becoming clearer

Tonight we\'re not alone

Tonight we\'re not dreaming

I\'ve been wrong so many times before

But of this I\'m sure

Time won\'t wait for you

I won\'t wait for you

Setting this fire

(I wish to be there)

Hoping that the smoke fills our lungs

(When you get here)

Before we burn out

(Will you get here)

Pray we won\'t feel a thing as she carries us away

~~(Carries us, Carries us away)~~
