Come Back

Dark clouds are hanging over me,
there\'s no light as far as the eye can see.
I look around but there is no one there,
I\'m left alone in despair,
suddenly I\'m overwhelmed with fear.
I\'m scared cuz there is no one near.
No one to hold me tight,
No one to help me get through the night,
I miss how we used to fuss and fight,
arguing over who\'s wrong or right.
I remember how you used to make me smile when I was sad,
and how you would stay by my side even when I was mad.
I considered you to be my all,
the one who would catch me when I fall.
When I was in pain, you took it away,
you were the one who taught me how to pray.
When we went out you would never let me pay,
when you wanted to go I always begged you to stay.
You were special, I saw that from the start,
I opened up and gave you the key to my heart.
I know I hurt you and I know I\'ve done you wrong,
I regret it so much and I\'m trying to be strong,
But I cant hold back the tears,
this month without you has felt like 10 years.
You\'re my closest and dearest friend,
Please come back and be with me untill the end...
