

## **The song of the wind**

There is no doubt about it!  
I heard it when someone  
passed by me whistling  
a tune, a happy tune!

So there is no doubt about it!  
Life is a song you breathe in  
and out. But it has to come from  
your lips. So sing it my friend  
sing and feel oh feel  
whatever your heart  
wants to feel!

Is it, it? Your heart's desire?  
There is no doubt about it!  
Someone passed by me  
whistling a tune and now  
yes now I feel happy oh so  
happy.

And as I walk amongst  
the moving crowd &hellip;  
there is no doubt anymore  
Life is a song!  
Breathe it in and out  
and sing from the bottom of  
your heart while a leaf from a  
chestnut tree flies past you and  
lands on the ground.

The song of the wind exists  
between your cherry lips and  
your heart!

Just close your eyes and hear  
the melody . . .
