

Publicerad 2008-05-12 16:05 av Collvin

right back at ya

right back at ya

leaning back at piles

of rubbish

once a haven

for that child

who didn't know right from wrong

but understood

what's good is always good

and what's bad just lacks

some of that good

now

barely justifiable by

pointing at the worst of

mankind, always to be found

elsewhere
