*Ibland tar allt för mycket plats...*

**I hope you don\'t mind..**

I hope you don\'t mind,  
that I\'m now going to reveal my feelings.  
I need to let my feelings out,  
my heart can\'t handle them anymore.

Sometimes, I\'m feeling fine,  
quite happy actually.  
Sometimes I need hugs,  
but I don\'t get any.  
Sometimes, I\'m confused,  
but that, I don\'t show.  
Sometimes I feel sad,  
but you don\'t know.  
Sometimes I can\'t handle things,  
I\'m only pretending.  
And sometimes I just put on my \"happy mask\",  
when my thoughts are twisting and bending.
