GUITAR GIRL

pretty little guitar girl
let's sing a song together
i'm a guest star in your world
of attitude and leather
let the passers by throw coins
it doesn't really matter
we will not depend on money
criticism or flatter
guitar girl, there are so many songs
inside my head now
i hope that you know them all
or we'll sing yours instead now
guitar girl, please spare an hour
we'll be good together
i'll be dressed like mr cohen
you'll be dressed in leather
