Your Book

I could go on and on about your appearance and how you look
As a matter of fact I think I could even write a book
I could write ten chapters about how you make me feel
And then five chapters about your sexappeal
I could write three chapters only about your eyes
And one about how you must be an angel in disguise

Beautiful brown eyes, and dark hair
Everytime I see you I can't help but stare
I love your heart and I love your soul
When I'm near you I lose my selfcontrol

Since day one you had me hooked
You don't understand how beautiful you looked
My heart skipped a beat and I knew you were the one
Since then, loving you is all that I have done
