Minnena

Your wonderfully tanned muscular arms
Your amazingly brown eyes
Your sweet tasting kissable lips

It all seems like something I dreamed
Made up in my mind
Too good to be real

I'm starting to wonder
Are you still around
Or are you up with the others
Playing the electric harp, mocking god
You are much too rebellious
To be an angel
But way too wonderful to be less

It hasn't hit me until today
How I miss you
And how the emptiness surrounds me
When you're not around

I haven't told you this but..
Quiero Dicierto Que Te Amo
