A midnight-story about a girl, who loves the nights....., and her destiny..

"DAUGHTER OF DARKNESS !"

Daughter of Darkness
dressed all in black

Daughter of Darkness
never looks back

Daughter of Darkness
lives in the shade

Daughter of Darkness
will never fade

Daughter of Darkness
always "in action"

Daughter of Darkness
"fatal attraction"

Daughter of Darkness
is getting careless (!)

Daughter of Darkness
Alone in the alley !

Daughter of Darkness
feeling the fear !

Daughter of Darkness
who is so near ?

Daughter of Darkness
Down in the alley !

Daughter of Darkness
Hit by a "beast" !

Daughter of Darkness
Now a "deseased" (!)

Daughter of Darkness
was barried this sunday
cause she was careless late one day.....

Good Night Everybody ! Remember: "Be careful out there !"
