Berätta allt om dig för mig.... jag lyssnar.

All about you

So here I stand again

another disappointment

when will things happen my way

how can I get you to stay

talk to me

tell me your dreams

and I'll tell you mine

I just want to get to know you

but you're so hard to get through

you're always rushing (going)somewhere else

it makes no sense

why you put up your defence

I'm standing right here

I just want you near

[I can see the truth in your eyes

With you there are no lies]

But your mind is clouding mine

Could it be

You're hiding something from me

You put a lock on your heart

I want to open it up with my key

But you tell me there's nothing there to see

Let me show you

What it means to be with me

Togheter we can do anything

Take my hand

The only thing that matters is you

And you know it's true

Let me figure you out

I want to know what you're all about
