

Publicerad 2008-10-24 22:09 av Sophia B

Guessing two days, then I'll stop breathing.

I love him,
it's tearing me apart.
ever touch, kiss and his smell.

It breaks my heart when I don't
answer, can't push the green button.

I know he's becoming tired of the
game, a game I can not control.

He's becoming tired of me,
I can't make it stop.
