### **Love's In The Wind**

There you go and you're looking so fine  
I hope that you know that you're always on my mind  
You're my heart, you're my dream  
and you're my hope, my love, my way  
You're all I have ever wanted  
I would never walk away  
You are always on my mind  
I'm crazy about you and I think about you every time

Love's in the wind  
You're all I have ever wanted  
I'm here to stay  
Love's in the wind  
You're all I have ever wanted  
You make all the clouds go away

I don't wanna live my life without you  
The happiness you bring is my wish come true  
Love's in the air  
I hope that you know that I want you so  
Love's everywhere  
All I want is you and I'll never let you go  
I gotta tell you one thing that's true  
The greatest thing on earth is to be with you
