*This is just a punk rock song...*

## **CALL OF THE WILD**

they came and went and i  
survived them all  
they came and left but i&acute;m  
still standing tall  
they said i&acute;m mad and that i&acute;m  
bound to fall  
i&acute;m stronger now  
since i&acute;ve obeyed the call

the moth and the flame  
a desperate child  
the tamed are too lame  
for the call of the wild

your so called freedom  
is quite limited  
it&acute;s either blue or yellow  
green or red  
but revolution comes  
from deep within  
heaven comes down  
a brand new life begins
